

# Did you know.... BASD has their own Vaccine For Children's (VFC) Program?

**The BASD VFC Clinic is located within Northeast (NEMS) Middle School**

The NEMS VFC Clinic is a federally funded program that provides free school mandated vaccines for students who are uninsured, underinsured or who have medical assistance. Unfortunately, the clinic is not able to provide vaccines for students who have private insurance.

Since the NEMS VFC Clinic opened in November 2022, it has provided 712 vaccines to 306 students to make sure that the students were able to enroll in school or remain in school.

**2022-2023: 311 vaccines, 137 students vaccinated.**

**2023-2024: 401 vaccines, 154 students vaccinated.**

**The NEMS VFC Clinic is held typically held every Tuesday from 8:30am- 10:30am, appointments are required. Please contact your school nurse to assist you with scheduling a vaccine appointment.**

**The Northeast (NEMS) Middle School VFC Clinic address: 1170 Fernwood Street, Bethlehem, PA 18018, appointments are required.**

**2/2/24**
